

Pointed Man Band is based out of Portland, Oregon and makes music for families that represents and explores life's adventures from the minutiae into the fantastical. Our songs heavily feature imagery and storytelling that are uniquely inspired by the majestic Pacific Northwest. We offer high energy performances that are fueled by an ambition to create music that captivates both parents and children alike and will be sure to have audiences dancing, using imaginative play and singing along!

Our latest recording, ***Amongst the Tall Trees***, was released in May of 2019 to critical acclaim. From this album, the single ***Go!*** was a top thirteen hit on SiriusXM's *Kids Place Live* for over 8 weeks during the summer of 2019. This song, as well as multiple other songs from current and past recordings, has remained in rotation on XM and other national radio programs. Our albums have been recipients of the prestigious *Parents' Choice Award*® Silver and *Fids and Kamily Music Awards*.

Pointed Man Band has performed at Austin City Limits Festival, Pickathon, Rox in Socks Festival, Butternut Ski Bowl, Town Hall Seattle, World Cafe, The Old Church, Secret Society and more including our monthly full and partial band performances around Portland.
